AUTOMOTIVE INDUSTRIES

INDEX

TO

VOLUME 70

January 6 to June 30, 1934

To facilitate reference this index to Volume 70 has been divided into five parts: an index to subjects, companies, authors, associations and Statistical Issue in the following pages. Thus these common methods used in seeking any particular article have been segregated to avoid the confusion which their intermingling permits.

AUTOMOTIVE INDUSTRIES

Editorial Index to Volume 70

Issues of January 6 to June 30, 1934, Inclusive

Subject Index—Below Company Index—Page 9 Authors' Index—Page 8
Statistical Issue—12 Associations—12

Index of SUBJECTS Discussed in Automotive Industries

A

Accessories, Vehicle—See Parts; Aircraft Parts & Accessories
G.M. acquires all rights on automatic jacking system 353
Signals right and left turns 51
Smith, H. O., brings out turnsignal... 27
Tung-Sol has new fixed focus bulb 37

Advertising
A.C. launches campaign for clean spark plugs 120
Evolution of the feminine motif in automotive advertising 712
Perfect Circle on the air 173
Speed claim ads, Would bar illegal.... 637
White publishes issue of "Time" 576

Aviation
Airline traffic increased in 1933..... 172
Airplane cowl experiments lead to higher speeds and lower engine temperatures 167
Altitude tests 662
Appraisal of various types of rotating wing airplanes 101
Commerce Dept. names "Fliver" plane group 56
Cord sponsored company to bid for air mail 471
Experiments with airplane cowls show more speed and less drag 137
Flivver planes, ask bids on 25 670
Hupp building aero bodies in Cleveland 439
Makers endorse low price plane proposal 56
Three pilots, two opinions and some air mail dope 373
Vote to form low-priced airplane corporation 210
War department requests bids on attack planes 671

Aircraft Engines
Aircraft engine design limitations are revealed 776
Kinner develops seven-cylinder aircraft engine 86

Aircraft Parts & Accessories
Bearings for controllable propellers ... 781
Lycoming develops electric indicator.. 781

Axles
Axle features new Ford trucks, full-floating 372
Bugatti divided front axle new feature 512
Tests show "truss-grain" doubles fatigue resistance 343

Batteries
Float indicator for storage batteries.. 72
Goodrich brings out truck and bus batteries 149

Bearings
A.C. begins production of engine bearings in June 407
A.C. begins production of steel backed bearings 738
Bearings, Flanged precision spindle.... 89
Bearings, New Departure 565
Copper-lead engine bearings are coming fast 806
Merits of copper lead and babbitt bearings 772
Roller, Mathews patents ball bearing.. 475

Bodies
Body design—DeSmet describes new science for designing and recording surfaces 137
Car design trends call for new deal... 518
Design simplifies, production of airflow bodies, skillful basic 550
Functionalism vs. "eye appeal" 815
"Milk-Wagon," Streamlining the front of the 750

Book Reviews
Automobile Electrical Equipment by A. P. Young & L. Griffiths. Published by Iliffe & Sons (London).... 749
Chrome Plating—Published in Berlin.. 562
"Common Sense on Common Stock" by I. Edwin Tannebaum and Linhart Stearns, released by Covici & Friede 749
Engine Indicator, Its Design, Theory, and Special Applications by K. J. DeJuhasz. Published by Instruments Publishing Co. 749
Entwerfen und Berechnen Neuzeitlicher Nutzkrafwagenmotoren, by Dipl.-Ing. Karl Schwaiger, published by M. Krayn Technischer Verlag, Berlin 814
Forschungsheft 363 (Research Publication) published by V. D. I. Verlag (Berlin, Germany) 749
Gottlieb Daimler in der Geschichte des Kraftwagens by Conrad Mattschoss (Germany) 749
If You Want to Get Ahead, by Ray Sherman, Little Brown & Co., publisher 346
The Principles of Self-Shifting Gear Transmissions for Automobiles, by C. H. Powell, published by Edwards Brothers, Inc. 720
Special Slide Rules, by J. N. Arnold, published by Purdue University 751
Thread Handbook, by Dardelet Threadlock Corp., N. Y. C. 562
Timken Engineering Handbook 120

Brakes
Sneed brake drum is of two-piece design 198

Buses
Tirrell recommends changes in metropolitan type coach 784

Business Conditions
Brake lining sales in 1933 11% higher than 1932 541
But where does the customer come in? 579
Depression cost put at $108 billion.... 736
Domestic retail sales gain in first four mos. 706
Dun shows dealers and garages made money in '33 728
Expansion continues factory reports show 264
First-quarter production should exceed that of 1933 1
Ford puts 10 million in steel-making machinery 289
Freight rates recommended, cuts in cost 286
General Motors has best May since '31 733
Industry awaits public reaction to new prices 449
Industry fights seasonal decline 696
Machine tool buying impends, Major pick-up in automotive 297
Motor Wheel Corp. business doubled in 1933 38
New models loom 37
Orders mounting stimulate automotive optimism 121
63% of dealer purchases of new cars, etc. 735
Sloan urges industry to fight for square deal if necessary 522
Wage earner's buying power increased 10% in 1933 145

Car Descriptions
Buick enters new market with "8" 580
Chevrolet introduces Master 6 sport sedan 759
Chevrolet knee action front suspension on 1934 line 22
Chevrolet standard models carry higher prices 484
Citroen's new front drive model 752
Crank-arm front suspension features new Pontiac 8 11
Dodge dealers showing new lower-priced six 632
Franklin series at N. Y. show, Three new 58
Graham-Paige introduces new eight-cylinder model 508
Hudson 8 & Terraplane 6 offer new body lines 18
LaFayette in new price field 498
LaSalle new straight 8 puts Cadillac in medium price field 4
Mercedes and Hansa bring out small rear-engined vehicles 68
Nash mystery car is the LaFayette Six 14
Plymouth adds deLuxe sedan 406
Reo Flying Cloud price range 408
Studebaker adds special dictator models 54
Studebaker series announced 761
Supercharger, centrifugal, gives Graham custom 8 42% more power 8
Tatra model to be rear-engined, New.. 399

Carburetors
Carburetor and automatic choke control 465

Cleaners—Air and Oil
Air cleaner and intake silencer 565

Contests
Campbell may try for records on salt beds 118
Campbell to make record attempt 202
Cars enter Indianapolis 500, 20 four-cylinder 577
Cummins enter two supercharged Diesels 501
Diesel car sets speed records at Montlhery 413
Ford eight wins 250 mi. stock road race 260
"Fours" take first four in 500 663
Fuel economy shares spotlight in Indpls. race 676
Fuel limit fails to cut Indpls speed .. 708
Jenkins to seek more records 731
Pierce-Arrow gets 12 world's speed records 287
Stock car race, no displacement limit in coast 440
U. S. drivers enter Italian sweepstakes 374

Cooling Systems
Radiator capacities 398

Corporate Changes
Acheson Oildag Co. now Acheson Colloids Corp. 545
Auto-Lite acquires Owen-Dyneto Corp. 664
Auto-Lite and MotoMeter merger completed 605
Auto-Lite and MotoMeter merger near 445
Auto-Lite seeks Owen-Dyneto, report 635
Auto-Lite to absorb MotoMeter Corp. 117
Buckeye Jack assets bought by new organization 704
City Auto gets draft control patent license 435
City Machine acquires Paulins 384
Eaton buys plant of Alloy Spring & Bumper Co. 176
K. & M. in merger 81
MacManus merges with John-Adams. 604
MotoMeter merger approved 205
Perfex Corp. business, New company takes over 795
Stamping company takes new name .. 210
Warner Brake reorganized 670

Corporations, New—See also Corporation Changes
Borg-Warner organizes export subsidiary company 377
Bundy Tubing Co. organizes subsidiary 323
Garwood Industries formed 384
Lantz-Phelps consolidate interests ... 544
Transportation materials company is formed 384

Dealers—See also Marketing Descriptions—See Car, Truck, Airplane & Engine Descriptions
Roll call of Chilton Trade list 417

Design—General Trends
American passenger car engine trends 305
Blower gives Graham more miles per gallon 486
Cab-over-engine design yields many operating advantages 480
Cars bigger for less money 612
Engine in front favored by Carl Breer 500
Engineers argue streamlining at S.A.E. meeting 810
Exhaust system noise causes hunted with Manometer 92
How the airflows were designed 766
Intake noise problems answered by research 93
"Milk-Wagon," Streamlining the front of the 750
1934 automobiles mark real turning point in industry's design trends ... 40
Noise absorptive materials give better relative result in 94
Olley outlines results of three-year research to improve riding qualities 128
Streamlined body of revolution called ideal aerodynamic form for cars, Half of 768
Streamlining a la Italienne 625
Streamlining, which way will the winds of favor blow? 63
Strokes in Vee engine with articulated rods, Getting equal 563
Torque change without reaction on chassis, No 751
Trucks offer fertile field for streamlining 777
Truck rating to improve weight factor, Uniform 782
Valve seat wear, How temperature and closing speeds affect valve and 592

Diesel Engines
Aircraft Diesel is inverted V-12, largest 555
Bosch Diesel system to be made in America 30
Bosch feed pump for heavy fuels.... 130
British test supercharged Diesels for air service 96
Buda offers two M.A.N. type Diesels with Bosch injection 368
Diesel design papers discussed 815
Diesel engine and compressor in one unit 138
Diesel optional in 1934 55
Engine and fuel problems featured at tractor and industrial power meeting 528
Ex-Cell-O incorporates governor and filter 808
High-speed motion pictures used to trace flame travel in Diesels 99
Lay, R. P., designs air-cooled Diesel for railcar 754
M.A.N. Diesels now have "air cell" in cylinder head 370
Motion pictures aid study of Diesel injection and combustion 715
Starters, Advantages of inertia for Diesel aviation engines 101
Sterling will produce line of high speed, swash-plate marine Diesels 139

Electrical Equipment, Automotive—See also Parts and Accessories
Adequate electrical systems would be worth the price 364, 430

Electroplating
Rustproof metal parts, New process employs alternating current to.... 405

Employment
A.P.E.M. employment passes 1929 peak 543
Automotive payrolls reaching 1929 levels 508
Chevrolet employs 2257 at Janesville. 208
Employment level up 6% in April... 641
Ford reopens plants at Norfolk and Dallas 56
GM declares dividends 574
GM to add 300 workers at two Canadian plants 578
Lansing employment rolls near '29 level 609
Lansing payrolls nearing 1929 peak.... 913
Libby-Owens-Ford employment up 86 per cent 55
May manufacturing activity declined.. 795
May payroll per vehicle produced 4 points over April 797
Michigan employment and payrolls maintain uptrend 87
N.A.C.C. group discusses increased employment 796
Oldsmobile employment exceeding peak of 1929 574
Responsibilities go with Labor's greater freedom, Increased 489
White Motor employees get 10% pay increase 537

Engines—See also Diesel Engines & Aircraft Engines
Cam gives maximum lift, Triple-curve, etc. 740
Combustion progress measured by new method 778
Doman-Marks engine 386
Doman-Marks horizontal engine 588
G.M.T. new 450 cu. in. engine develops 120 hp. 290
Hall-Scott engine, New 130 hp. 386
Hercules adds two small fours 400
Hesselman type motors in new Allis tractors 204
Indicator card analyses reveal facts about combustion rates 779
Load operation, Light, in cold weather is biggest wear cause 135
N.A.C.C. reaches preliminary conclusion on fins and baffles 816
Rear-engined cars may call for radical changes 774
Single cylinder industrial engine..... 599
Spark plug and nozzle now located in cylinder head of Hesselman motor.. 817
Studebaker engine adapted for racing 465
Studebaker will sell racing motors at $750 289
Wisconsin 4-cyl. air-cooled industrial engine 428
Zoller two-cycle racing engine 683

Financial News
Ainsworth reports net income....444, 515
Aluminum Industrial financial reports 384, 469, 673
Allied Products report net loss 515
American C & F Motors report loss.. 549
American Chain reports 411
Auburn omits dividend 729
Auburn reports loss 115
Austin moratorium extended 294
Automotive Gear earnings 375
Bendix 1933 earnings above 1932.... 59
Bendix earnings 411
Black & Decker progresses financially 82, 543
Bohn Aluminum shows profit.....177, 468
Borg-Warner reports net profit 346
Bower earnings rise 291
Briggs net income 443
Briggs pays dividend 62
Briggs Mfg. Co. report '33 profit..... 515
Briggs & Stratton earnings gain..... 294
Budd companies cut loss 179
Campbell, Wyant earnings 294
Caterpillar wipes out all bonded indebtedness 505
Chrysler reports 1933 profit 200
Chrysler stockholders consider bonuses, etc. 500
City Auto Stamping Co. net loss for 1933 636
Clark Equipment 1933 net losses decrease 435
C. I. T. earnings 148
Commercial Credit earns four million in 1933 177
Continental-Diamond's net loss decreased 471
Continental Motors reports loss 762
Cord Corp. profits for 1933 147
Credit available to dealers in face of rising car sales, No signs of more bank 575
Defiance reports losses 353, 435
Detroit Steel Products financial reports 384, 515
Dividend declared by Chrysler directorate, Extra 572
Doehler reports earnings 413
Dunlop Doubles dividend 543
Eisemann Magneto reports net loss.... 543
Electric Auto-Lite Co. net profit ... 604
Evans earnings 347
Federal cuts loss 412
Federal-Mogul reports income.....295, 515
Federal Trade Comm. accepts Auto-Lite statement 502
Financial trends among parts makers 641
First quarter statements 503
Ford of Canada declares dividend.... 540
Ford Motor Co., Ltd. report '33 net profit 506
Ford near break-even in 1933..... 701
Ford reports disbursements in January 206
Franklin has 3 bankruptcy trustees appointed 729
Franklin Mfg. Co. receiver appointed. 437
Franklin receivership, Advance plan to lift 502
Franklin reports loss 736
Fruehauf Trailer Co. net earnings.... 543
Gabriel reports loss 295
General Motors Acceptance Corp. profit 636
G.M. declares dividends 574
General Motors earnings in 1933..... 146
G.M. first quarter profits 509
G.M. registers stockholders 728
Goodyear to pay dividend 549
Graham stockholders OK exchange of stock plan 578
Groves buys Autocar Co. control, Wallace 374
Hayes Corp. balance sheet 500
Hercules earnings 353
Hoover S. B. reports 445
Houdaille cuts loss 290
Hudson's financial report 788
Hudson reports loss 509, 549
Hupp cuts loss 381
Indian cuts loss 266
International Nickel earnings 386
Johnson reports loss 736
LaFrance cuts loss 347, 386
LeBlond-Schacht reports net loss..... 673
Libby-Owens-Ford Glass profit..... 470
Loans of motor makers revealed, 1929 "street" 288
Lycoming reports loss 205
Macauley puts Packard 1933 net at $500,000 261

Mallory reports profit 179
Marmon receiver gives option on company 546
Marmon shareholders get new stock offer 93
McAleer Mfg. report 386
McCord net profit 295
McQuay-Norris nets $376,755 437
Mengel Co. reports 411
Michigan Steel Tube earnings..... 261
Modine in the black 204
Moto Meter reports 441
Motor Products statement 442
Motors set the pace in dividend recovery 207
Motor Wheel nets profit 294
Mullins Co. reduces net loss 505
Murray reports loss 439
Muskegon reports 376, 414
Muskegon Motor Spec. Co. reports net loss 515
Nash omits dividend 467
Nash reports loss in 1933 54
Olds and Scott lead opposing groups in proxy fight for control of Reo..... 466
Olds resumes control over Reo 55
Packard in the black 440
Parker earnings rise 266
Parts makers earnings table 654
Payment may settle Overland disputes 143
Perfect Circle dividends 147, 736
Pierce cuts loss 438
Pierce Governor reports net loss..... 704
Pittsburgh Plate Glass earnings..... 378
Plant mortgages OK 604
Raybestos earnings 266
Receiver for Glancy 88
Receiver for New Process 31
RFC loan rule may spike W-O plans. 791
Relay Motors receiver asks Court allow sale 610
Reo loss 410
Reynolds in the black 264
Rolls-Royce reports loss 381, 736
Ross Gear earnings 442
Ross profit larger 205
Russell Motors report net profit 736
Sales gains make 1933 earnings showing spotty, Uneven distribution of.. 589
Shaler earnings rise 205
Shaler Co. report net profit 604
Sloan hits closed shop in G.M.'s annual report 406
Stewart-Warner reveals reorganization results 317
Studebaker makes profit receivers' report shows 470
Stutz reports net loss 736
Thompson Products earnings 353
Timken Axle statement 353
Timken Roller Bearing 1933 income.. 445
Tung-Sol, Inc., reports net profit..... 604
Twin Coach reports net profit..... 736
Universal reports profit..... 266
Vauxhall earnings 384
Watson, John Warren, reports loss... 736
White's loss decreases 470
W.O. Ltd. of Canada is liquidated.... 323
Willys buys receivers' paper..... 469
Willys-Overland Co. resumes operations 576
Willys-Overland seeking RFC loan .. 729
W.O. to buy Willys Morrow machinery 509
Young declares dividend 762

Financing
April retail financing 727
Car financing, Dollar volume gains in new 760
Industry formulating code financing plan 502
Smith heads new M.E.M.A. governing board 292

Finishes, Vehicle
Blue gains on Black 178
Lighter color should be used on upper part of body 96
Stripes smooth or rough surfaces..... 89

Foreign Trade
American automotive products gain abroad 764
American bus makers gain by Ceylon ruling 796
April car and truck exports increase.. 671
Austria curtails automobile imports.. 545
Automotive industry affected by 3rd change in Canadian budget tariff.. 512
Brazil looks good for U. S. automotive sales 350
British Ford Co. head condemns bureaucracy 513
Canadian exports decrease 32, 702
Canadian plant for General Tire..... 120
Canadian production doubles last January 260
Ex-Cell-O boosts orders and sells to Russia 118
Ex-Cell-O cuts loss 205
Exporters urge tariff powers for President 87
Exports gain 76 per cent 508
February exports best since June, 1931 441
Ford Canadian employment near 1932 midsummer peak 203
Ford Canadian Co. will ship English firm V-8's 511
Ford-Mathis report agreement reached 671
German Diesel exports drop in value; gain in numbers 410
Germany building automotive steam power plants 563
G. M. export units in the black in '33.. 442
G. M. overseas sales up 56% over 1932 115
Importation of Bendix drive spring ban final 756
Italy ups tariffs 144
Japan Industry Co.-G. M. deal nears completion 572
Japan—Is Japan headed for world automotive power? 688
Markets, improved, at home and abroad 197
Motor vehicle exports make gain in Canada 544
N.A.C.C. protests rise in export freight rates 87
Packard, A Swiss 572
Revaluation will help exports..... 178
Studebaker exports best since 1929.. 56
U. S. made cars, trucks lead in Swedish sales 545

Fuels
Becker and Fischer propose new quality index for Diesel fuels 812
Bureau of Standards reports on vapor lock 812
Diesel fuel study 30
Ethyl gas enlarges equipment in Detroit laboratory 608
Fleet discounts on gas limited by new contract 293
Fuel consumption and true economy, Specific 99
Fuel outlook calls for close cooperation between refiners and Diesel designers 815
Gasoline blend bill introduced in Congress, New 56
Gasoline consumption near 1932 total 170
Gasoline consumption noted, Big March 735
Gasoline prices reached low ebb on first of month 517
Liquefied petroleum gases boost power, etc. 652
Mileage increased with high gravity fuel 661
N.A.C.A. finds exhaust gas analysis gives good measure of air-fuel ratio. 724
Nutt makes preliminary report on knock tests 812

G

Gears—See also Transmissions
Lycoming has new marine reduction gear 116
Tests measure noise reduction with "spoked" laminated timing gears.. 280

Government Agencies
ALB insists minority be heard in disputes 569
Allotment for military planes and autos in dollars 539
Labor Board policy statement clashes with principles approved by Roosevelt 541
NLB "principles" stated in report.... 537
Sliding price scale, urged by Miss Perkins 574

I

Ignition
Ignition interference, suppression of, with radio is up to car engineers.. 98

Instruments
Adher-O-Scope, Sperry-Cammen 722
Balancer, Universal static 50
Checks lead and machine setting.... 495
Cylinder performance, a new instrument for the study of 102
Electronic timer 354
Furnace, twenty-five pound electric.. 89
Gear tester is universal 494
Hydrometers, New TAG certified..... 89
Indicator measures fuel injection pressures, Okill 496
Indicators, Piezo-electric 657
Involute gears, Machine checks..... 324
Light conditions, A few seconds to check 284
Photo-electric cell used with mirror diaphragm in Labarthe indicator... 160
Pin measuring machine tests and sorts 186
Projector, Desk type profile..... 50
Tester for proving welds, Portable... 722

Insurance—See also Financing, Marketing, Legislation
Chicago insurance rate drops..... 541

L

Labor Relations
Acheson raises pay 85
A.F.L.-G.M. conference adjourned.... 537
A.F.L. organizes locals in various Chrysler units 793
A.L.B. permits solicitation on company properties 664
Atlanta Chevrolet dispute before Auto Labor Board 470
Auto-Lite, Miss Perkins' aid asked at 727
Auto-Lite, Separate pacts settle strike 697
Automobile workers. Here is your chance! 362
Automotive employment increases in Michigan 500
Barit denies labor's charges against Hudson 344
Bingham Stamping Co., 400 workers walk out 471
Budd case findings not yet released.. 258
Campbell, Wyant strike ended 474
Chevrolet workers average per hour.. 206
Drive to unionize all automotive workers seen 796
Employees' side of the Weirton case.. 462
Fisher employees form own organization 668
Fisher flays tactics of union leadership 616
Fisher new representation plan adopted 746
Fisher strikers agree to return 601
Fisher workers organize themselves.. 635
Ford of Canada sets $5 daily minimum 373
Ford workers get 10% increase 179
G.E. raises wages 10 per cent..... 433
G.M. plant complaints reported on by St. Louis board 200
I.H.C. raises wages 264
January automotive payrolls gain over last year 286
Johnson warns industry of impending wave of strikes 321
Knudsen sees 1934 wage totals at 1929 levels 290
Labor costs rise sharply as result of NRA program.. 292
Labor factions brew trouble 459
M.E.S. ready to strike for 20% increase 437
Nash asks right to carry unemployment contributions as bookkeeping reserve 798
Nash officials meet labor union leaders 466
N.A.C.C. factories raise wages and cut hours 408
NLB's order clashes with Settlement rules 498
NLB "principles" stated in report..... 537
NRA effects agreement composing Budd dispute 443
Nash strike continues 406
Pay increase of 20% latest move in A. F. L. battle 201
Personnel department belongs, Back on the bench is where 651
Picketing limited in Toledo's strike.. 503
Recognition issues clarified by Auto Labor Board statement 477
Riot, Guards called to quell 637
St. Louis G. M. workers ask Labor Board vote 376
St. Louis union asks dissolution of A. L. B. 762
Self-adjustment plan developed for labor 606
Settlement negotiated by President Roosevelt 402
Shortening of work week looms, Selective 258
Sliding price scale urged by Miss Perkins 574
Social and economic understanding essential to engineer of future..... 75
Statement of Automobile Labor Board on lay-off and rehiring 661
Steel mediation up to Miss Perkins.... 757
Steel peace plans, Both sides reject.. 699
Strikes cannot paralyze industry's key plants, Unjustified 574
Strikes failure weakens M.E.S.A. hold 542
Strikes in Toledo parts plants end.... 289
Strike settlement lays pattern for harmonious labor relations 387
Toledo general strike threats conversational 603
Toledo workers receive pay increases, 6000 440
Unemployment reserve legislation looms 267
Unions air charges against car makers 344
Unions direct attacks at G. M. assembly plants 507
Union leaders will stick to agreement.. 379
Union recalls order for Houde strike.. 345
U. S. mediators seek end of Toledo strike 663
U. S. moves for court test in Weirton case 377
Wage increase reported, Sharp hourly 575
Wage rates at 1929 peak as motor employment rises 208
Williams, Dr. A. H., named A.L.B. exec. sec. 796
Willard on 36-hr. week 375
Wisconsin employers' contributions to unemployment insurance 758

Legislation
Brake and performance rules feature proposed changes in uniform traffic act, New ... 597
Canadian police taboo smoke-screen devices ... 609
Congress not expected to act on Rayburn bill ... 203
Eastman regulatory bill is introduced 410
Eastman report would put 150 mile limit on truck service ... 392
Gasoline blend bill introduced in Congress, New ... 56
Glass would lend industries money ... 547
Industry wins tilt in battle for uniform truck weight regulations ... 634
Labor bills uncertain, Fate of security and ... 503
Labor bills will pass Congress, Little likelihood ... 640
Labor leaders would rule ... 360
Rayburn hearing ends as trucks and shippers continue attacks ... 175

Dynamometer—Greater safety-operating convenience ... 722
Electric furnace announced, Rocking ... 465
Free-wheeling for plant drives ... 476
Furnace, Short cycle malleabilizing ... 629
Grinder, Abrasive-belt sheet ... 630
Grinds and laps carbide tipped tools ... 692
Hydraulic pump by Sundstrand ... 52
Jig, Cimatool improves Paulins tool ... 722
Morse has improved flexible coupling ... 168
Motor is self-protected ... 476
Reducers—Planigressive multi-speed ... 169
Remco line of motor drives ... 818
Riveter, Alligator type, has 2-in. stroke ... 496
Roll feeds for punch presses ... 804
Skinner oil reclaimer ... 566
Tempering furnace for small articles ... 629
Truck-Pallet handling tilting fork ... 169

Shows
Accessory displays at Hotel Edison ... 84
Dealers are considering N.A.C.C. show week plan ... 663
Exhibits again will dominate Century of Progress ... 684
German truck makers swing to Diesels 450
Motor Boat Show opens ... 85
Motor Boat Show opens Jan. 19 ... 59
National Automobile Show, The story of the ... 642
National shows? No 1935 ... 631
N. Y. Show attendance 63% bigger than '33 ... 81
New York show crowds spur industry's hopes for a good year ... 33
1934 joint trade show will be staged in Cleveland ... 259
Sales and attendance gain at Chicago Show ... 142
Show gate receipts larger ... 54
Shows give evidence of business revival ... 114
Streamlining, independent suspensions and miniature cars are focal points of German automotive interest ... 424
This year's shows were best ever but— 310

Spark Plugs—See also Parts
AC—10 mm. plug added to AC's metric family ... 434
Spark plugs designed for tractor use ... 662
Spark plug gap, Higher compressions increasing resistance of ... 133
Spark plugs, Pyro-action ... 292

Steering
Lavine develops improved "nut and lever" steering gear ... 721
Steering performance, Six factors make for good ... 95
Steering stability improved by increasing weight on front wheels ... 136

Suspension—Wheel Spring
Buick series 40 line design ... 614
Bumpers, Rubber spring build resistance fast ... 72
Independent front suspension ... 616
Independent wheel suspensions ... 274
"Silenite" interleaves end sticking of spring leaves ... 719
Singer front suspension has floating helical springs ... 618
Unconventional rear suspension promises better riding and smoother performance ... 188

Taxes, Revenue from
Federal automobile tax in Nov. ... 62

Testing—See Production Methods
Citroen combines laboratory, speedway and road tests ... 397
Lees-Bradner gear tester ... 415

Tires
G.M.'s May sales ... 695
Ground grip heavy duty ... 662
NRA sets "Floor" prices for tires ... 549
Noise, Factors affecting tire—character of noise as important as volume 97
Pneumatic casing shipments increase 757
Silent tread tire ... 494
Tire output increases in 1933 ... 201

Tools, Portable, small—See also Shop Equipment
Cutter for diversified, short-run milling ... 494
Dies, Stationary type tangent ... 692
Drills, light weight for heavy duty work ... 588
Drill—Streamlined electric ... 113, 600
Grinders work in wide range ... 53
Landis collapsible taps ... 476
Nut runner, new "shockless" ... 495
Portable tools, High frequency ... 385
Speeder unit for standard machines ... 567
Tools of intricate design with cemented-carbide tips ... 70

Tractors
Allis has new tractor ... 445

Transmissions—See also Gears
Automatic transmissions, Do drivers want ... 78
Automatic transmission should have these 21 satisfactory features ... 79
Drive, Trinity resilient ... 599
Multi-range transmissions, Commendation for and criticism of ... 102
Quieter "silent" transmissions require accurate tooling ... 184
Transmission efficiencies, New method simplifies measurement of ... 560
Transmission replaced by hydraulic torque converter ... 104
Transmission torque change without reaction on chassis ... 456

Truck Descriptions
Chevrolet truck line for 1934 ... 46
Diamond T announces new series ... 597
Dodge new line broadens coverage of truck market ... 138
Federal, New ... 293
Federal producing new 4½-ton model 764
Federal 2-ton truck ... 347
FWD introduces new truck ... 469
G.M. three new cab-over-engine models for 1934 ... 154
GMC offers 1½-ton truck ... 505
G.M.T. 1934 line has three "camel-back" types ... 142
Mack's new traffic type have cabs over engines ... 389
Marmon-Herrington adds seven new truck models ... 470
Sentinel markets steam-driven eight-wheeler ... 312
Studebaker adds three-tonner to truck line ... 177
Tank equipment for transporting Ethyl ... 673
Thornton tandem units redesigned... 627
Walker introduces new "house to house" electric ... 400
White adds two new jobs ... 811

Used Cars—See also Marketing, Financing—See Foreign Trade
Canadian dealers would fix used car prices ... 286
Germany launches used car price control plan ... 260
Used cars sold in U. S., Number of... 602
West Coast dealers cut used car gross losses ... 674

Welding & Cutting
Electrode for welding cast iron announced by Lincoln ... 112
Oxweld Pantosec introduced ... 137
Oxy-Acetylene cutting on adjacent metal, Effects of ... 304
Welding head has simplified control, G. E. ... 723
Welder, The 100 flex-arc ampere ... 694
Welder, Portable for factory use ... 285
Welding press, Two-head ... 566
Welder, 62 feet per min. ... 692

Wheels
Rim inspection report ... 726

Index of COMPANIES Mentioned in Automotive Industries

A

AC Spark Plug Co.—AC begins production of engine bearings in June..... 407
AC launched campaign for clean spark plugs 120
Spark plugs designed for tractor use... 662
Acheson Oildag Co., The—Acheson raises pay 85
Ackerman-Blaesser-Fezzy, Inc. — Harteg named factory manager..... 386
Acklin Stamping Co.—Acklin promotes two 540
Adam Opel Co.—Dubonnet knees on Opel 401
Opel Company earnings..... 320
Ainsworth Mfg. Co.—Ainsworth earnings 444
Air Reduction Sales Co.—Tester for proving welds, Portable..... 722
Allis-Chalmers Mfg. Co.—Allis has new tractor 445
Alloy Spring & Bumper Co.—Eaton buys plant of Alloy Spring & Bumper Co.. 176
Aluminum Industries, Inc.—Aluminum Industries' financial reports....384, 469, 673
Ambler Asbestos Shingle & Sheathing Co.—K. & M. in merger 81
American Austin Car Co.—Austin moratorium extended 294
American Automotive Corp.—Marmon receiver gives option on company..... 546
American Bosch Corp.—Bosch equipment used on Indpls. winners..... 757
American Car & Foundry Motors Corp.—American C. & F. Motors report loss. 549
American Chain Co.—American Chain reports 411
American Chemical Paint Co.—Rustproof metal parts, New process employs alternatng current to..... 405
American Engineering Co.—Feiker, Fred, is named to Engineering Council..... 116
American-LaFrance & Foamite Corp.—Foamite fire protection system, Improved 285
LaFrance cuts loss 347, 386
Arrowhead Prod. Co.—Frederickson becomes Gen. Mgr. of Arrow Head Products 323
Atwater Kent Mfg. Co.—Radio for auto. 442
Auburn Automobile Co.—Ames becomes aide to Auburn president..... 144
Auburn export orders reach new peak.. 204
Auburn omits dividend 729
Autocar Co.—Autocar reports loss..... 320
Wallace Groves buys Autocar Co. control 374
Studebaker and Autocar join forces to service trucks in 7 cities..... 261
Auto-Lite Co.—Auto-Lite to absorb Moto-Meter Corp. 117
Coincidental starting system to be made by Auto-Lite 191
Automatic Machine Co. — Profile-milling machine, A new design..... 497
Automotive Gear Works, Inc.—Automotive Gear earnings..... 375

B

Bendix Aviation Corp.—Bendix earnings. 411
Bendix looks for good first quarter..... 31
New Bendix products coming..... 470
Bendix Products Corp.—Carburetor and automatic choke control 465
Bethlehem Steel Co.—Bethlehem Steel reports loss 320
Bingham Stamping Co.—400 workers walk out at Bingham Stamping Co..... 471
Black & Decker Mfg. Co.—Black & Decker progresses financially 543
Drill—Streamlined electric 113, 600
Bohn Aluminum & Brass Corp.—Bohn Aluminum shows profit.....177, 468
Borg-Warner Corp. — Borg-Warner reports net profit..... 346
Bower Roller Bearing Co.—Bower earnings rise 291
Brewster & Co.—Brewster builds custom jobs on 127-in. Ford V-8 chassis.... 374
Briggs Mfg. Co.—Briggs' net income..... 443
Briggs pays dividend..... 62
Briggs & Stratton Corp.—Briggs & Stratton earnings gain 294
Brunner Mfg. Co.—Brunner Mfg. elects officers 119
Bryant Chucking Grinder Co.—Grinder—Internal for variety of work..... 112
Buckeye Portable Tool Co.—Nut runner, New "shockless" 495
Portable tools, High frequency..... 385
Buda Company—Buda offers 2 M.A.N. type Diesels with Bosch injection... 368
Budd, Edward G., Mfg. Co.—Budd body shipments biggest since 1929..... 438
Budd-built "zephyr" breezes a mile in 35 sec. 502
Budd case closed 407
Budd case findings not yet released.... 258
Budd companies cut loss..... 179
Budd employees schedule election to be held under NRA supervision..... 288
Budd workers vote for works council.. 350
Budd workers vote on representation plan 318
Design simplifies production of airflow bodies, Skillful basic..... 550
Buick Motor Car Co.—Buick enters new market with "8"..... 580
Buick in production on lower-priced models 507
Buick reports increased sales at N. Y. Show 117
Buick series 40 line design..... 614
Bundy Co., H. W.—Bundy Tubing organizes subsidiary 323
Burgess Battery Co.—Air cleaner and intake silencer 565
Burgess air cleaner 385
Burgess Laboratories, C. F.—Air cleaner and intake silencer 442

C

Cadillac Motor Co.—Cadillacs, 1934, have new methods of generator-output-control 534
Cadillac and LaSalle transmissions..... 753
LaSalle new straight 8 puts Cadillac in medium-price field 4
Campbell, Wyant & Cannon Foundry Co.
Campbell, Wyant earnings 294
Campbell, Wyant strike ended..... 474
Carboloy Co., Inc.—Carboloy announces 6 new grades 818
Cutter for diversified, short-run milling 494
Cutter, general purpose milling..... 442
Caterpillar Tractor Co.—Caterpillar wipes out all bonded indebtedness..... 505
Century Electric Co.—Dual motor for refrigerator trucks 192
Chain Belt Co.—Stearns Co. moved to Milwaukee 346
Charles Bruning Co., Inc.—Eraser, electric, held like pencil..... 354
Chevrolet Motor Car Co.—Chevrolet delivered—prices upped 202
Chevrolet employs 2257 at Janesville... 208
Chevrolet introduces Master 6 sport sedan 759
Chevrolet knee action front suspension on 1934 line 22
Chevrolet makes its knees, How..... 270
Chevrolet opens parts warehouse in Detroit 374
Chevrolet plants now in operation, All. 30
Chevrolet retail orders exceed 50,000 mark 114
Chevrolet shifts heads of mfg. plants.. 376
Chevrolet Standards come off the line. 514
Chevrolet standard models carry higher prices 484
Chevrolet to establish retail training courses 635
Chevrolet truck line for 1934..... 46
Chevrolet workers' average per hour.. 203
Orders for production equipment accompany spurt in car output..... 202
Chicago Safety Devices Co. — Chicago Safe Devices announces new oil-eye. 169
Chrysler Corp.—Chrysler dealers now get freight discount 498
Chrysler makes coil springs, How..... 392
Chrysler reduces six line..... 731
Chrysler reports 1933 profit..... 200
Chrysler stockholders consider bonuses, etc. 509
Chrysler tops 1929 output..... 56
Chrysler using part of Continental plant 374
Design simplifies production of airflow bodies, Skillful basic 550
Dividend declared by Chrysler directorate 572
Cincinnati Ball Crank Co.—Cincinnati Ball Crank reports loss..... 320
Citroen Motor Works—Citroen combines laboratory, speedway and road tests. 397
Citroen gets financial aid at cost of control 319
Citroen's new front drive model..... 752
City Auto Stamping Co.—City Auto gets draft control patent license..... 435
City Machine & Tool Co.—Jig, Cimatool improves Paulins tool..... 722
Clark Equipment Co.—Clark Equipment 1933 net losses decrease..... 435
Cleveland Welding Corp. — Cleveland Welding earnings 320
Commercial Credit Corp. — Commercial Credit earns four million in 1933..... 177
Continental Automobile Co.—Continental wishbone construction 199
Continental Diamond Fibre Co.—Continental-Diamond's net loss decreased. 471
Tests measure noise reduction with "spoked" laminated timing gears.... 280
Continental Motors Corp. — Continental Motors reports loss.....736, 762
Corcoran-Brown Lamp Co.—Headlamps, Control-beam 475
Cummins Engine Co., The—Cummins enters 2 Diesels in Indianapolis classic. 471
Cummins enters two supercharged Diesels 501
Diesel optional in 1934..... 55

D

Daimler-Benz. Co.—Mercedes and Hansa bring out small rear-engined vehicles 68
Davis & Thompson Co.—Reducers-Planigressive multi-speed 169
DeVilbiss Co.—Condenser without cotton or waste 496
Defiance Spark Plugs, Inc.—Defiance reports losses 353, 435
Delco-Remy Div. of General Motors
Delco changes name..... 62
Generator, Delco-Remy "Aero Volt"... 629
Detroit Electric Furnace Co.—Electric furnace announced, Rocking..... 465
Detroit Gasket Mfg. Co.—Gasket Co. moves 734
Detroit Steel Products Co.—Detroit S. P. reports 384

Diamond Chain & Mfg. Co.—Diamond Chain Co. plans producing standard sizes 639

Dodge Bros., Inc.
Dodge cuts prices..... 697
Dodge new line broadens coverage of truck market 138
Dodge has many dealer orders..... 114
Dodge Six, A lower-priced..... 670
Dodge truck line..... 60
Dodge truck plant close scheduling synchronizes body and chassis assembly. 558
Dodge truck price cuts..... 731

Doehler Die Casting Co.—Doehler reports earnings 413

Dole Valve Company—Dole balanced thermostatic valve 284

Doman & Marks Engine Co.
Doman-Marks engine 386
Doman-Marks horizontal engine..... 588

H. A. Douglas Mfg. Co.—Connectors, A new type of electrical..... 693

Dow Chemical Co. — Dowmetal trailer carries three Fords..... 413

Dunlop Rubber Co.—Dunlop doubles dividend 543

E. I. duPont de Nemours & Co.—duPont buys degreaser 290

Duesenberg, Inc. — Duesenberg phaeton has disappearing top..... 13

E

Eaton Mfg. Co.
Eaton buys plant of Alloy Spring & Bumper Co. 176
Eaton gets Citroen order..... 293
Eaton parts shipments larger in January 62
Eaton reports profit..... 320

Eisemann Magneto Corp. — Eisemann Magneto reports net loss..... 543

Electric Auto-Lite Co.
Auto-Lite acquires Owen-Dyneto Corp. 664
Auto-Lite, Separate pacts settle strike 697
Electric Auto-Lite reports profit....320, 604
Federal Trade Commission accepts Auto-Lite statement 502
MotoMeter merger approved..... 205

Electric Storage Battery Co.—Electric Storage earnings 320

Evans Products Co.—Evans earnings.... 347

Evans & Sons, F. S.—Starter, New automatic 59

Ex-Cell-O Aircraft & Tool Cop.
Ex-Cell-O boosts orders and sells to Russia 118
Ex-Cell-O cuts loss..... 205
Grinds and laps carbide tipped tools.... 692
Speeder unit for standard machines.... 567

F

Federal Mogul Co.—Federal Mogul reports 295

Federal Motor Truck Co.
Federal cuts loss..... 412
Federal, New 293
Federal producing new 4½-ton model.. 764
Federal 2-ton truck..... 347

Felters Co. and H. H. Robertson Co.—Felt bonded metal..... 567

Ferner, R. Y., Co.
Borer—A new Societe Genevoise jig... 113
Projector, Desk type profile..... 50

Firestone Tire & Rubber Co.—Ground grip heavy duty..... 662

Fisher Body Corp.
Fisher new representation plan adopted 746
Fisher workers organize themselves... 635

Foote-Burt Co. — Broacher — Continuous automatic surface 112

Ford Motor Co.
Axle features new Ford trucks, Full floating 372
Eight fewer operations required for Ford cast crankshafts..... 330
55,000 Fords in January..... 81
Ford breaks exclusive dealership policy 316
Ford cuts gap between list and delivered prices 315
Ford cuts prices..... 725
Ford dock reported sold..... 545
Ford expected to get U. S. order for 700 cars 55
Ford increases parts discounts..... 145
Ford leads in sales in first two months 439
Ford near break-even in 1933..... 700
Ford puts 10 million in steel-making machinery 289
Ford reopens plants at Norfolk and Dallas 56
Ford reports disbursements in January 206
Ford resumes distribution of parts in Milwaukee 503
Ford V-8 Victoria 382
Ford workers get 10 per cent increase.. 179
Improved management should offset higher wages 436
Pin measuring machine tests and sorts 186

Ford Motor Co., Ltd.
Ford Canadian Co. will ship English firm V-8's 511
Ford of Canada declares dividend..... 540
Ford Canadian employment near 1932 mid-summer peak 203
Ford of Canada sets $5 daily minimum 375
Ford Motor Co., Ltd., reports '33 net profit 506

Four-Wheel Drive Auto Co.—FWD introduces new truck..... 469

Franklin Automobile Co.
Franklin has three bankruptcy trustees appointed 729
Franklin Mfg. Co. receiver appointed.. 437
Franklin readjustment committee is organized 150
Franklin reports loss..... 736
Franklin series at N. Y. Show, Three new 58

Fruehauf Trailer Co.
Dowmetal trailer carries three Fords.. 413
Fruehauf net earnings..... 543
Truck coupling has rubber cushions... 649

G

Gabriel Co.—Gabriel reports loss..... 295

Gar Wood Industries, Inc.
Gar Wood builds addition to plant..... 381
Garwood Industries formed..... 384

Gemmer Mfg. Co.—Ingersoll to make Gemmers in Canada..... 117

General Electric Company
General Electric floodlights lettering... 199
G. E. headlight lamp, Pre-focused..... 324
General Electric profit..... 320
GE refrigerated truck bodies..... 325
Lamp, G. E. automobile indicator..... 662
Welding head has simplified control, G. E. 723

General Motors Corp.
Barit backs Knudsen in stand for open shop 344
GM biggest month in April since 1931.. 573
General Motors exports continue to increase 261
GM export units in the black in '33.... 442
GM first quarter profits..... 509
General Motors has best May since '31 733
GM's January volume, Production delays cut 171
G. M. overseas sales up 56 per cent over 1932 115
GM registers stockholders 728
Gen. Mot. sales in March exceed all monthly totals since May, 1931..... 469
General Motors sales spurt in February 317
General Motors story..... 281
G. M. three new cab-over-engine models for 1934..... 154
Sloan hits closed shop in GM's annual report 406
Sloan points to Recovery Act dangers in annual report to GM stockholders 440
Swan wins verdict against G. M..... 146

General Motors of Canada, Ltd.—G. M. of Canada booms 406

General Motors Truck Co.
GMT announces reduction on 1½-ton truck 731
G. M. T. new 450 cu. in. engine develops 120 hp..... 290
G. M. T. 1934 line has three "camelback" types 142
GMC offers 1½-ton truck..... 505

General Tire & Rubber Co.
Canadian plant for General Tire..... 120
Silent tread tire..... 494

Geometric Tool Co., The—Die head takes either circular or tangent chasers.... 168

Glancy Malleable Corp. — Receiver for Glancy 88

Goodrich, B. F., Rubber Co.
Float indicator for storage batteries... 72
Goodrich brings out truck and bus batteries 149

Goodyear Tire & Rubber Co.—Goodyear to pay dividend..... 549

Graham-Paige Motor Co.
Graham-Paige introduces new eight-cylinder model 508
Graham-Paige loss 320
Graham reduces prices..... 731
Graham-Paige six prices up; eights unchanged 466
Graham stockholders OK exchange of stock plan 578
Supercharger, centrifugal, gives Graham custom 8 42 per cent more power 8
Supercharger will be furnished on Graham 6 81

H

Hall-Scott Motor Co.—Hall-Scott engine, New 130 Hp..... 386

Handy Governor Corp.—Filtering element, New metallic 600

Hanna Engineering Works—Riveter, Alligator type, has 2-in. stroke..... 496
Riveter, compact, light-weight squeeze 442

Hansa-Lloyd & Goliath Works (Bremen)
Mercedes and Hansa bring out small rear-engined vehicles 68

Hayes Body Corp.—Hayes Corp. balance sheet 500

Heald Machine Co.—Grinder, Internal centerless by Heald..... 282
Heald improves No. 81 grinder..... 413

Hercules Motor Corp.—Hercules adds two small fours 400
Hercules earnings 352

Hisey-Wolf Machine Co.—Grinders work in wide range 52

Hoover Steel Ball Company—Hoover S. B. reports 443

Houdaille-Hershey Corp.—Houdaille cuts loss 290

Houde Engineering Corp.—Union recalls order for Houde strike..... 343

Hudson Motor Car Co.—Barit denies labor's charges against Hudson..... 344
Hudson 8 & Terraplane 6 offer new body lines 1
Hudson's financial report 780
Hudson net loss 540
Hudson reports 1933 loss..... 500
Hudson-Terraplane cut; add Challenger 732
Hudson-Terraplane prices are raised.. 460
Terraplane Challenger is priced lower.. 600

Hupp Motor Corp.—Hupp building aero bodies in Cleveland..... 420
Hupp cuts loss 380
Hupp introduces "Aerodyne" bodies... 2
Hupp sedan price up..... 500

I

Indian Motocycle Co.—Indian cuts loss.. 260

Ingersoll Machine Co.—Ingersoll to make Gemmers in Canada..... 117

Ingersoll Steel & Disc Co.—Ingersoll S. & D. Co. names Milne production manager 410

Inland Mfg. Co.—Inland Co. to build..... 732
International Harvester Co.—International sustained loss 320
International Nickel Co. of Canada, Ltd.
International Nickel earnings..... 380

J

Johnson Motor Co.—Johnson reports loss 730

Jones & Lamson Machine Co.—Dies, Stationary type tangent..... 690

K

Kales Stamping Co.—Stamping company takes new name..... 210

Kearney & Trecker Corp.—Grinder, Milwaukee face mill..... 722

Keasby & Mattison Co.—K. & M. in merger 8

Kellogg Equipment Corp.—Kellogg announces new organization..... 80

Kinner Airplane & Motor Corp., Ltd.
Kinner develops seven-cylinder aircraft engine 80

L

Landis Machine Co., Inc. — Hydraulic grinder, Internal races finished on.. 350
Landis collapsible taps..... 470
Threading machine in larger sizes.... 560

Lantz-Phelps Corp.—Lantz-Phelps consolidate interests 540

Lavine Gear Co.—Lavine develops improved "nut and lever" steering gear. 720

Lay, Robert P.—Lay, R. P., designs air-cooled Diesel for railcar..... 730

Leblond-Schacht Truck Co. — LeBlond-Schacht reports net loss..... 670

Leeds & Northrup Co.—Tempering furnace for small articles..... 620

Lees-Bradner Co.—Checks lead and machine setting 490

Hobber—Rotary hobber of great flexibility ... 285
Inspection machine ... 442
Lees-Bradner gear tester ... 415

Leyland Motors, Ltd.—Transmission replaced by hydraulic torque converter. 104

Libbey-Owens-Ford Glass Co. — Libby-Owens-Ford employment up 86 per cent ... 55
Libby-Owens-Ford Glass profit ... 470

Lincoln Electric Co.—Electrode for welding cast iron announced by Lincoln 112
Motor is self-protected ... 476
Welder, 62 ft. per min. ... 692

Lincoln Motor Co.—Lincoln expands output ... 87

Linde Air Products Company — Oxweld Pantosec introduced ... 137

Lipe, W. C., Inc.—Chamfering machines, High speed tooth ... 599

Littell Machine Co., F. J.—Centering reel, Littell automatic ... 630

Lycoming Mfg. Co.—Lycoming reports loss ... 205

M

Mack Trucks, Inc.—Mack and subsidiary companies report combined profit... 320
Mack negotiating to sell Ford truck line ... 407
Mack's new traffic type have cabs over engines ... 389
Tank equipment for transporting Ethyl 673

Manley Products Corp.—Remco line of motor drives ... 818

Marmon Motor Co.—Marmon shareholders get new stock offer ... 603

Marmon-Herrington Co., Inc.—Marmon-Herrington adds seven new truck models ... 470

Mathews Conveyor Co.—Roller, Mathews patents ball bearing ... 475

Mallory, P. R., & Co.—Mallory reports profit ... 179

Marlin-Rockwell — Marlin-Rockwell nets profit ... 320

Marmon-Herrington Truck Co. — Marmon-Herrington orders exceed last year's total ... 62

Mattison Machine Works—Grinder, Abrasive-belt sheet ... 630

McAleer Mfg. Co.—McAleer Mfg. reports. 386

McCord Radiator & Mfg. Co.—McCord net profit ... 295

McQuay-Norris Mfg. Co.—McQuay-Norris adds manufacturing plant ... 117
McQuay-Norris net income ... 437

Mengel Co., The—Mengel Co. reports... 411

Mercury Mfg. Co.—Truck-Pallet handling tilting fork ... 169

Michigan Steel Tube Products Co.—Michigan Steel Tube earnings ... 261

Michigan Tool Co.—Involute gears, Machine checks ... 324

Modine Manufacturing Co.—Modine in black ... 204

Monarch Machine Tool Co.—Magna-matic full automatic lathe ... 52
Monarch announces cam milling attachment ... 284

Monroe Auto Equipment Co.—Compound, Noise deadening ... 53

Moore Drop Forging Co.—Moore Forge officers ... 32

Morse Chain Co.—Free-wheeling for plant drives ... 476
Morse has improved flexible coupling. 168

MotoMeter Gauge & Equipment Corp.
Auto-Lite to absorb MotoMeter Corp... 117
MotoMeter merger approved ... 205
MotoMeter reports ... 441

Motor Products Corp.—Motor Products statement ... 442

Motor Wheel Corp.—Garlent on Motor Wheel board ... 379
Motor Wheel Corp. business doubled in 1933 ... 30
Motor Wheel net profit ... 294

Mullins Mfg. Co.—Mullins Co. reduces net loss ... 505

Murray Corp. of America—Murray reports loss ... 439

Muskegon Motor Specialties Co.—Muskegon financial reports ... 376, 414

N

Nash Motors Company
LaFayette in new price field ... 498
Nash asks right to carry unemployment contributions as bookkeeping reserve ... 798
Nash directors elected ... 201
Nash mystery car is the LaFayette Six 14
Nash omits dividend ... 467
Nash reports 1933 loss ... 54
Nash strike continues ... 406
Nash strike is before National Labor Board ... 350
Nash to exhibit again at Century of Progress ... 318

National Acme Co. — Screw machines, New line of automatic ... 566

National Machinery Co.
Cold headers, A new line of ... 567
Tapper, New precision nut ... 693

Neon-Arrowlite, Inc.—Signals right and left turns ... 51

New Britain-Gridley Machine Co.—Montgomery stern drive adapts automobile engines for boat use ... 77

New Departure Mfg. Co.
Bearings, Flanged precision spindle ... 89
Bearings, New Departure ... 565
"Bearings which Simplify Design" ... 442

New Process Gear Co.—Receiver for New Process ... 31

Norton Company
Grinder for light work ... 53
Production machines for automotive work ... 51

P

Paasche Airbrush Co.—Stripes smooth or rough surfaces ... 89

Packard Motor Car Co.
Macauley puts Packard 1933 net at $500,000 ... 261
Packard in the black ... 440
Packard will build lower-priced car ... 436

Parker Rustproof Co.—Parker earnings rise ... 266

Peerless Motor Car Corp.—Turns to brewing ale ... 797

Perfect Circle Co.
Perfect Circle dividend ... 736
Perfect Circle Co. shows substantial increase in earnings ... 320
Perfect Circle on the air ... 173

Pierce-Arrow Motor Car Co.
Pierce-Arrow gets 12 world's speed records ... 287
Plant mortgages OK ... 604
Pierce cuts loss ... 438
Pierce new and low-priced ... 374

Pierce Governor Co.
Pierce Governor reports net loss ... 704
Pierce offers automatic choke ... 385

Pittsburgh Engineering Works—Grinder—Flexibility features swing frame.. 113

Pittsburgh Lectrodryer Corp.—Dries air or gas automatically ... 168

Pittsburgh Lectromelt Furnace Corp.—Furnace, Twenty-five pound electric 89

Pittsburgh Lectrowelder Corp.—Welder, Portable for factory use ... 285

Pittsburgh Plate Glass Co.—Pittsburgh Plate Glass earnings ... 378

Plymouth Motor Company
Plymouth adds deLuxe Sedan ... 406
Plymouth adds new special six series.. 725
Plymouth reductions ... 696
Plymouth standard models have I-beam axle, New ... 258

Pontiac Motor Car Co.
Crank-arm front suspension features new Pontiac 8 ... 11
Pontiac cuts put prices at new low ... 696
Pontiac reported spending money for equipment ... 787
Pontiac's starter, choke and throttle control mechanism ... 196

Pyle-National Co. — Fitting, Explosion-proof conduit ... 385

Pyrene Mfg. Co.—Pyrene offers high gloss nickel process ... 380

R

Raybestos-Manhattan, Inc. — Raybestos earnings ... 266

Reed Prentice Corp.
Milling and die sinking machine ... 442
Milling and die sinking machine, Vertical ... 497

Relay Motors Corp.—Relay Motors receiver asks Court allow sale ... 610

Reo Motor Car Company
Olds resumes control over Reo ... 55
Olds and Scott lead opposing groups in proxy fight for control of Reo ... 466
Reo Flying Cloud Six price range ... 408
Reo loss ... 410
Reo reports orders highest in years ... 322
Reo shows big increase ... 62
Scott's resignation ends Reo proxy fight 499

Robertson Co., H. H., and The Felters Co.—Felt bonded metal ... 567

Rockwood Mfg. Co.—Trunk, Portable factory ... 442

Rolls-Royce Co. — Rolls-Royce reports loss ... 381, 736

Ross Gear & Tool Co.—Ross Gear earnings ... 205, 442

Russell, Burdsall & Ward Bolt & Nut Co.—R. B. & W. to market locknut ... 342

Russell Electric Co.
Pyrometer for production installations 442
Resistance, low cost, Low ... 496

Russell Motor Car Co., Ltd.—Russell Motors report net profit ... 736

Rusticide Products Co.—Rust spots, For removing ... 354

S

Safety Nut Corp.—Nut, New self-tightening safety ... 497

George Scherr Co.
Gear testers, Universal ... 442
Gear tester is universal ... 494

A. Schrader's Son, Inc.—Schrader Ezemount valve assembly ... 89

Scripps Motor Co.—Scipps F engine in two types ... 72

Scovill Mfg. Co.—Scovill show gains ... 320

William Sellers & Co.—Grinder, Improved tool ... 386

Sentinel Waggon Works (Shrewsbury, England)—Sentinel markets steam-driven eight-wheeler ... 312

Shaler Company
Shaler earnings rise ... 205
Shaler Co. report net profit ... 604

Shuler Axle Co., Inc.—Dugan reelected by Shuler ... 735

SKF Industries, Inc.—SKF executive offices moved to Philadelphia ... 640

Skilsaw, Inc.—Drills, light weight for heavy duty work ... 588

Skinner Motors, Inc.—Skinner oil reclaimer ... 566

Sparks-Withington Co. — Sparks reports six months' loss ... 320

Spencer Mfg. Co.—Tests show "truss-grain" doubles fatigue resistance ... 343

Sperry Products, Inc. — Adher-O-Scope, Sperry-Cammen ... 722

Spicer Manufacturing Corp.
Dana, He's "Charley" to his workers now ... 302
Spicer will continue to make shock absorbers ... 287

Standard Oil Co. of N. J.—"Esso" breakin oil, New ... 205

Stearns Conveyor Co.—Stearns Co. moved to Milwaukee ... 384

Sterling Engine Co.—Sterling will produce line of high speed, swash-plate marine Diesels ... 139

Sterling Motor Truck Co.—Sterling notes big improvement in their business ... 640

Stewart-Warner Corp.
Stewart-Warner Corp. elects three new officials ... 470
Stewart-Warner reveals reorganization results ... 317

Stinson Aircraft Corp.—Manning resigns Stinson presidency; name Deweese.. 601

Stokerunit Corp.—Boring machine, Simplex precision ... 386

Studebaker Corporation
Studebaker adds three-tonner to truck line ... 177
Studebaker and Autocar join forces to service trucks in 7 cities ... 261
Studebaker engine adapted for racing.. 465
Studebaker exports best since 1929 ... 56
Studebaker makes profit receivers' report shows ... 470
Studebaker series announced ... 760

Studebaker shipping new Special Dictator 258

Studebaker Sales Corp.
Studebaker adds special dictator models 54
Studebaker in production with new "Cruiser" 547
Studebaker will sell racing motors at $750 289

Stutz Motor Car Co. of America, Inc.— Stutz reports net loss..... 736

Sunstrand Machine Tool Co.—Hydraulic pump by Sundstrand..... 52

T

Tagliabue Mfg. Co., C. J.—Hydrometers, New TAG certified hydrometers..... 89

Taylor Mfg. Corp.—Balancer, Universal static 50

Taylor, Ltd., Geo.—Indicator measures fuel injection pressures, Okill..... 496

Ternstedt Co.—Hardware on 1934 cars... 279

Thomson-Gibb Electric Welding Co. Welding press, Two-head..... 566

Thompson Products, Inc.—Service pins presented to Thompson workers.... 793
Thompson Products earnings..... 353

Timken-Detroit Axle Co.—Timken Axle statement 353
Timken-Detroit reports loss 320

Timken Roller Bearing Co.—Timken Roller Bearing 1933 income..... 445

Tinnerman Stove & Range Co.—Speed nuts cut costs 169

Trinity Wheel Corp.—Drive, Trinity resilient 599

Tung-Sol Lamp Works, Inc.—Tung-Sol has new fixed focus bulb..... 37
Tung-Sol makes profit 320, 604

Twin Coach Company—Twin Coach reports net profit 736

Twin-Flex Co.—Twin-Flex moving plant 795

Turnsignal Corp.—Smith, H. O., brings out turnsignal 27

U

United American Bosch Corp. — Bosch Diesel systems to be made in America 30
Spark plugs, Pyro-action..... 292

Universal Products Co., Inc.—Universal reports profit 266

USL Battery Corp. — N.L.B.'s order clashes with settlement rules..... 498

V

Van Dorn Electric Tool Co.—Van Dorn bench grinder 324

Vauxhall Motors, Ltd. — Vauxhall earnings 384

W

Ward-LaFrance Truck Corp.—Ward-La-France reports loss 320

Warner Elec. Brake Corp.—Warner Brake reorganized 670

Warner & Swasey Company—Bar feed, Built-in motor and new..... 475

Watson, John Warren, Co.—Watson, John Warren, reports loss..... 736

Waukesha Motor Co.—Single-cylinder industrial engine 599
Spark plug and nozzle now located in cylinder head of Hesselman motor... 817
Waukesha making refrigerator..... 374

Wells Mfg. Co.—Bandsaw, Horizontal... 495

Westinghouse Electric & Mfg. Co.—Dynamometer — Greater safety-operating convenience 722
Electronic timer 354
Furnace, Short cycle malleablizing.... 629
Light conditions, A few seconds to check 284

White Company—White adds two new jobs 811
White's loss decreases..... 47
White Motor employees get 10 per cent pay increase 53
White publishes issue of "Time"..... 57

Whitehead Stamping Co.—Stamping company takes new name..... 21

Wickes Brothers—Lathe, Semi-automatic crankshaft 81

Wilcox-Rich Corp.—Tappet adjuster, Hydraulic 66
Wilcox-Rich reports profit..... 32

Wilkening Mfg. Co., The — Wilkening sales report 56

Willard Storage Battery Co.—Willard on 36-hr. week 37

Williams, White & Co.—Seat frames made on high-speed bending machinery, Tubular 49

Willys-Overland Co. — Financing plans hold up Willys production..... 5
RFC loan rule may spike W-O plans.. 7
Willys buys receivers' paper..... 46
W-O receivers, applications for fees, To hear 63
Willys-Overland resumes production 439, 57
Willys-Overland seeking RFC loan.... 7
W-O to buy Willys Morrow machinery 56
Willys prices up 31
Willys to build 7,500 model 77's..... 17

Wisconsin Motor Co.—Wisconsin Motor to build Diesel engines..... 72

Wittek Mfg. Co.—Roll feed for punch presses 80

Wright Aeronautical Corp.—Wright develops technique for production casting of magnesium alloy engine parts. 12

X-Y-Z

Young Spring & Wire Corp., L. A.—Young declares dividend 76

Zoller, Arnold — Zoller two-cycle racing engine 68
